

City of Solvang Housing Element Update

Community Workshop #1

On Thursday, March 24, the City of Solvang held a Community Workshop to discuss the Housing Element Update. The workshop included an introduction to the Housing Element and new State requirements, as well as an opportunity for the public to provide comments on housing concerns in the community.

Public Input Received:

- Water is a constraint and should be evaluated
- The public would benefit from visual examples of 20 dwelling units per acre.
- Parcels along Alamo Pintado Road: Consider access issues, traffic concerns, and grade separations when analyzing feasibility a these (and other) sites.
- Provide translation services to engage Spanish-speaking residents and community groups.
